Dear Family and Friends,

We praise the Lord for graciously providing all we have needed to minister in the U.S. since we arrived August 6. We have a home from which to travel, family who cares for our sons during our longer trips, vehicles to use for meetings both far and near, and financial help lessening the tuition of our two children in college and two children in secondary school. God has protected us and enabled us to minister to 18 churches in these first 12 weeks. Our objective, as Paul's, is to "strengthen the churches." The Lord has also strengthened our hearts through many godly believers exemplifying love and perseverance in His will and for His cause.

As we often notice during our trip from Manila to Chicago, we take the mission field with us. So far, we have been able to witness to five Filipinos, a Muslim Bangladeshi, an Eastern European, an Orthodox Syrian, and Americans of various ethnic groups. ☺ Please pray for these that heard the gospel. Please pray also for opportunities, clarity, and boldness in witnessing as well as the Holy Spirit's working to break down blindness, willfulness, and strongholds of unbelief in people's hearts. Souls need to be saved!

In November, Phil will return to the Philippines for two weeks to help launch second semester and lead Bob Jones Memorial Bible College's 30<sup>th</sup> anniversary celebration. BJMBC's four-day anniversary conference is entitled "Restoring Biblical Ministry." This theme is a great need because Filipinos and other Asians have been attracted to pragmatic, carnal, shallow, or otherwise unbiblical ministry philosophies and practices. Please pray with us that the Lord will bring 100 pastors to attend this conference and that God would give us both the correction and revival that we need. During the anniversary, we will also break ground to begin constructing BJMBC's first self-owned facility. We praise the Lord that now we have 50% of the \$800,000 needed to build this 4-story building.

During November-December-January, we have about 20 opportunities to teach or preach, and the Lord often seems to open more doors as we go along. We do not want to merely fulfill our responsibility at these times but to be God's instrument of spiritual, practical change. Please pray with us. We greatly need God to work both here in the U.S. and in Asia. For the showers we plead! Please also pray for a large number of students to enroll and grow in BJMBC's second semester beginning November 3.

Thank you for co-laboring with us!
